

WEST VIRGINIA UNIVERSITY COMMENCEMENT

DECEMBER 16, 2016
1:30 P.M.

Alma Mater *by Louis Corson*

Alma, our Alma Mater,
The home of Mountaineers.
Sing we of thy honor,
Everlasting through the years.
Alma, our Alma Mater,
We pledge in song to you.
Hail, all hail, our Alma Mater,
West Virginia "U."

Congratulations from President Gee

December 2016

Congratulations on reaching a pivotal milestone.

With hard work and dedication, you have scaled a steep summit. But as the word “commencement” implies, your real journey is only now beginning.

You will undoubtedly make some unexpected detours along the way. I certainly have, in the 48 years since I donned my own cap and gown.

You may doubt your direction at times.

But the unique skills and strengths you honed here will drive you forward.

The hopes and goodwill of 190,000 other West Virginia University graduates will sustain you.

And your own beliefs and values will guide you to the perfect destination.

You are a Mountaineer.

Your future is as boundless as your dreams.

Let's go.

Sincerely,

A handwritten signature in blue ink that reads "E. Gordon Gee". The signature is fluid and cursive, with the first name "E." and the last name "Gee" clearly legible.

E. Gordon Gee
President
West Virginia University

Information for Graduates and Guests

AMBASSADORS AND VOLUNTEERS

Gold and Blue Student Ambassadors and University volunteers are available to assist you. Look for individuals wearing West Virginia University name tags.

ACCOMMODATIONS

If you made arrangements with the Office of Accessibility Services, please follow the instructions that were provided to you. If you did not make arrangements prior to Commencement, a staff member from the Office of Accessibility Services will be happy to assist you. Accessible seating is available on a first-come, first-served basis.

COURTESY

West Virginia University asks that guests remain in their seats. For the safety and security of the participants, guests are not permitted to approach the stage to take personal photos of, present gifts to, or congratulate the graduates. Air horns or other noise-making devices should not be used. Please turn your cell phone to “silent” and remember that graduates will remain with their class for the duration of the ceremony. Your cooperation is appreciated.

DIPLOMAS

Names listed in this program are taken from applications for graduation made to the West Virginia University Office of the University Registrar. Registration for graduation does not ensure that graduate names appear in this program, and this

document is not an official record of degrees awarded. Participation in Commencement does not constitute graduation from West Virginia University. Students who have met the academic criteria required for their program of study will have their degree conferred by the University and will receive their diploma in the mail. Please contact the Office of the University Registrar at 304-293-5355 or registrar@mail.wvu.edu with questions.

EMERGENCY INFORMATION

In an emergency, event staff will guide guests and graduates to the nearest exit. If medical attention is needed, EMS is available to assist. Please seek out a Gold and Blue Student Ambassador or other volunteer to assist you.

FLORAL SALES

Proceeds benefit West Virginia University’s Horticulture Club and Plant and Soil Sciences Club.

LOST AND FOUND

Please call 304-293-7132 to make inquiries about any lost and found items. Unclaimed items will be retained for 90 days.

PHOTOGRAPHY

West Virginia University contracts with GradImages to capture the special memories of Commencement. A photograph of each student will be taken as he or she crosses the stage. Graduates will be sent electronic copies of their photo proofs within 48 hours of their ceremony. All

electronic communication will be private and secure and will be sent to the email address indicated by the graduate. Visit gradimages.com for complete information.

SURVEY

Following the ceremony, please take a moment to share your opinion of WVU Commencement. Your responses will be used to strengthen and shape future events: graduation.wvu.edu.

West Virginia University is a tobacco-free campus.

Commencement Traditions

WEST VIRGINIA UNIVERSITY SEAL

The West Virginia University Board of Regents adopted the seal on June 15, 1869. The Regents' original, handwritten resolution is located in the University Archives at the Wise Library. The Greek motto inscribed in the inner circle translates to: "Add to your faith virtue and to virtue knowledge." The Latin verse inscribed on the outer circle translates to: "Seal of the West Virginia University. Established 7 February, 1867." The hills depicted behind Woodburn Circle reflect the institution's stability, and a rising sun indicates its prosperity.

WEST VIRGINIA UNIVERSITY MACE

The mace is a symbolic tradition that originated during the Middle Ages. The University Marshal brings this ornamental staff of authority to the platform and taps it three times to signify the beginning of the ceremony. It represents the official authority of the University president and precedes him or her during Commencement and inauguration.

WEST VIRGINIA UNIVERSITY ACADEMIC REGALIA

The history of academic regalia worn today dates to the Middle Ages. The oldest universities of northern Europe evolved from ecclesiastical institutions where both faculty and students were regarded as part of the clergy and dressed in clerical

garb. The head covering of modern academic costume was developed from the skullcap worn by the clergy in cold weather to protect their tonsured heads. At universities, this skullcap acquired a point on top, which gradually evolved into a tassel. The bonnet with tassel is still worn by some, but the mortarboard is more common.

The gown worn today evolved from the habit worn by Benedictine monks. No trimming is found on bachelor's or master's gowns, but for those holding doctoral degrees, the gown is faced down the front and trimmed on the sleeves with velvet.

Today's hood is colored according to the scholarly field of the individual and bears the official colors of the institution that conferred the degree.

WEST VIRGINIA UNIVERSITY ACADEMIC PROCESSIONAL

The sequence of the processional is as follows: deans, degree candidates, faculty, platform party, honored guests, and University president.

WEST VIRGINIA UNIVERSITY MARSHALS

The tradition of academic marshals comes from storied English universities. The Grand Marshal is the chief protocol officer who coordinates the ceremonial traditions of Commencement, including the processional and recessional. The Grand Marshal is also responsible

for the school's relics, including the mace and batons. Marshals are typically members of the faculty. Student marshals may be selected to help facilitate individual ceremonies.

Presidential Honorary Doctorate

MAZIN M.A. JUMAAH, PH.D.
President
Royal University for Women

Professor Mazin Mohammed Ali Jumaah is an academician of 40 years. He received his bachelor's degree in electrical engineering from Baghdad University and earned his master's and doctorate in control engineering in 1976 from Bradford University.

Professor Jumaah began his academic career as a lecturer and was awarded a full professorship after 15 years. His career in academia led to leadership positions. His first managerial role was as head of department in 1977. This was followed by a deanship, vice presidency and by 1987, he became a university president. He has

held that position at various reputable institutions, each time, transforming them while enhancing the educational environment.

Professor Jumaah has published over 100 books and papers and has presented at many conferences. He has played a pivotal role in integrating vocational, technical and engineering education with industry.

In 2013, he was appointed to the Bahrain Higher Education Council and was involved in strategic decision-making to implement the strategic higher education objectives of the Kingdom of Bahrain.

In 2015 he was appointed to the advisory board of Tamkeen, a semigovernment organization tasked with driving sustainable economic development through the private sector.

In 2016, he became a member of the advisory committee of the National Authority for Qualifications and Quality Assurance of Education and Training. He is involved in decision-making on the Kingdom's higher education quality framework and the alignment of domestic and foreign qualifications on the Bahrain's National Qualifications Framework.

Professor Jumaah has received numerous international awards, including in 2011, the World Education Congress Asia Award. In 2012, he received the International Socrates award from the Europe Business Assembly.

Professor Jumaah has served as the President of Royal University for Women (RUW) since 2007. He has been instrumental in building and strengthening the relationship between RUW and West Virginia University.

Commencement Speaker

SEAN MCWILLIAMS, PH.D.
Assistant Professor
West Virginia University
Department of Physics
and Astronomy

1.3 billion years ago, in a galaxy far, far away, two black holes collided with each other, emitting a burst of gravitational waves that momentarily carried more energy than all of the stars in the visible Universe. The signal headed toward Earth, and on September 14, 2015, it passed through the Advanced LIGO detectors. No previous detector

could have sensed this tiny signal, but Advanced LIGO, being the most sensitive gravitational-wave observatory ever built, was able to make a detection.

Since then, we have detected at least one other signal, and expect many more in the coming years, both from Advanced LIGO as well as from other instruments, such as the NANOGrav pulsar timing array and, eventually, a space-based observatory.

Sean McWilliams is an Assistant Professor of Physics and Astronomy at West Virginia University. Prior to that, he was a postdoctoral fellow at Princeton and Columbia Universities and at the NASA Goddard Space

Flight Center. He completed his M.S. and Ph.D. in Physics at the University of Maryland College Park, and B.S.'s in Physics and in Astronomy and Astrophysics from the Pennsylvania State University, University Park.

McWilliams's research is in theoretical astrophysics, with an emphasis in gravitational-wave astrophysics, including source modeling of compact object binaries for Advanced LIGO and future space-based observatories, and population modeling of supermassive black-hole binaries for NANOGrav and other pulsar timing arrays.

Congratulations from the WVU Alumni Association

Visit alumni.wvu.edu for more information about us.

Congratulations Graduates!

You did it. After years of hard work and dedication, you've earned your West Virginia University degree. On behalf of the WVU Alumni Association, I applaud you for reaching this important milestone.

You will soon learn that your West Virginia University experience did not end at graduation. A part of your alma mater will always be with you. You are a Mountaineer forever!

As you prepare to embark on the next phase of your life, know that it's not you against the world. You are now part of a growing network of close to 200,000 fellow Mountaineers across the globe. I assure you that wherever your Country Roads may take you, your alumni family will be there.

To help you stay connected, we are providing your first-year membership in the WVU Alumni Association as a graduation gift to you. I encourage you to join your local chapter and take advantage of our valuable services such as life skills seminars, electronic communications and opportunities to connect with fellow graduates.

You can learn more about the WVU Alumni Association and how we serve you and your alma mater by visiting alumni.wvu.edu.

I'm proud of you and your fellow graduates and am eager to help you remain connected with our alma mater.

In Mountaineer Spirit,

Sean Frisbee, '89
