Commencement Traditions

THE SEAL
The West Virginia University Board of Regents adopted the seal on June 15, 1869. The Regents’ original, handwritten resolution is located in the University Archives at the Wise Library. The Greek motto inscribed in the inner circle translates to: “Add to your faith virtue and to virtue knowledge.” The Latin verse inscribed on the outer circle translates to: “Seal of the West Virginia University. Established 7 February, 1867.” The hills depicted behind Woodburn Circle reflect the institution’s stability, and a rising sun indicates its prosperity.

THE MACE
The mace is a symbolic tradition that originated during the Middle Ages. The University Marshal brings this ornamental staff of authority to the platform and taps it three times to signify the beginning of the ceremony. It represents the official authority of the University president and precedes him or her during Commencement and inauguration. Smaller batons are used to signify the designation of authority when the president is not in attendance.

THE REGALIA
The history of academic regalia worn today dates to the Middle Ages. The oldest universities of northern Europe evolved from ecclesiastical institutions where both faculty and students were regarded as part of the clergy and dressed in clerical garb. The head covering of modern academic costume was developed from the skullcap worn by the clergy in cold weather to protect their tonsured heads. At universities, this skullcap acquired a point on top, which gradually evolved into a tassel. The bonnet with tassel is still worn by some, but the mortarboard is more common.

The gown worn today evolved from the habit worn by Benedictine monks. No trimming is found on bachelor’s or master’s gowns, but for those holding doctoral degrees, the gown is faced down the front and trimmed on the sleeves with velvet.

Today’s hood is colored according to the scholarly field of the individual and bears the official colors of the institution that conferred the degree.

THE ACADEMIC PROCESSIONAL
The sequence of the procession is as follows: members of the platform party, deans, faculty, degree candidates, honored guests, and the University president.

THE MARSHALS
The tradition of academic marshals comes from storied English universities. The Grand Marshal is the chief protocol officer who coordinates the ceremonial traditions of Commencement, including the processional and recessional. The Grand Marshal is also responsible for the school’s relics, including the mace and batons. Marshals are typically members of the faculty. Student marshals may be selected to help facilitate individual ceremonies.

December 2014

Dear West Virginia University Graduates:

Congratulations on reaching this important milestone in your life's journey.

Take time today to celebrate this tremendous accomplishment. You conquered early-morning classes, late-night study sessions, grueling exams, countless term papers and many other challenges to reach this day.

Your family is proud of you – and so am I.

Since my arrival a year ago, I have witnessed our students’ courage and passion for learning. You ask tough questions – and find answers. You recognize the power of teamwork and work together to put your ideas in motion. When adversity arises, you tackle it with absolute determination.

With these qualities, and your West Virginia University education, you will go far.

Wherever you go, always remember your alma mater. Just as you will always carry the Mountaineer spirit in your heart, your imprint will remain on the heart of West Virginia University.

Sincerely,

E. Gordon Gee

Dear Graduates:

It’s hard for many of you to believe that your college days at West Virginia University have come to an end. It probably seems like yesterday that you moved into your residence hall or attended your first class.

Now you are beginning a new era of your time as a Mountaineer – that of a graduate. As you take on this new role, you become part of a dedicated network of alumni who remain deeply tied to our alma mater. And we hope you will stay active in the life of WVU.

The WVU Alumni Association is your pipeline to all things WVU. We are committed to keeping you connected and engaged by providing regular communication through social media, as well as electronic and print publications. We also encourage you to stay involved by recruiting students or joining one of our more than 100 alumni chapters and groups located all over the world. It’s easy to stay connected.

We also are pleased to provide you with your first-year membership in the WVU Alumni Association, at no cost to you, so take advantage of our programs and services aimed at helping you remain an active Mountaineer. Visit alumni.wvu.edu for more information.

Before you leave campus, we encourage you to:

* Stop by your favorite spots on campus one last time.
* Grab your smartphone and capture these special moments with friends and family.
* Hug your friends.
* Thank your favorite professors by sending them a note of thanks.
* Take a few pepperoni rolls home with you – they freeze well!
* Follow us on social media – we’re on Twitter, LinkedIn, and Facebook.
* Make sure your new contact information is up-to-date by signing up for the Mountaineer Connection: www.mountaineerconnection.com.
* Last, but not least, visit often. The Erickson Alumni Center is your home away from home!

Welcome to our alumni family. Congratulations and best wishes on your future endeavors!

In Mountaineer Spirit,

Steve
