Alma Mater
by Louis Corson

Alma, our Alma Mater,
The home of Mountaineers.
Sing we of thy honor,
Everlasting through the years.
Alma, our Alma Mater,
We pledge in song to you.
Hail, all hail, our Alma Mater,
West Virginia “U.”
December 2019

Congratulations on reaching a life-changing milestone.

Hard work and perseverance have taken you far. But as the word “commencement” implies, your real journey is only now beginning.

Life is about finding your purpose and making sure your choices serve that purpose. Is your goal healing the sick? Inspiring others with your artistic vision? Shattering the status quo with the next high-tech innovation?

Whatever path you choose, Mountaineer determination will guide you to ever-higher summits.

The unique skills and strengths you honed here will drive you onward.

The hopes and goodwill of 200,000 other West Virginia University graduates will sustain you.

And your own inner calling will lead you to the perfect destination.

Your purpose is calling. Our world is waiting.

Let’s go!

Sincerely,

E. Gordon Gee
President, West Virginia University

COMMENCEMENT 2019

Commencement Traditions

WEST VIRGINIA UNIVERSITY SEAL
The West Virginia University Board of Regents adopted the seal on June 15, 1869. The Regents’ original, handwritten resolution is located in the University Archives at the Wise Library. The Greek motto inscribed in the inner circle translates to: “Add to your faith virtue and to virtue knowledge.” The Latin verse inscribed on the outer circle translates to: “Seal of the West Virginia University. Established 7 February, 1867.” The hills depicted behind Woodburn Circle reflect the institution’s stability, and a rising sun indicates its prosperity.

WEST VIRGINIA UNIVERSITY MACE
The mace is a symbolic tradition that originated during the Middle Ages. The University Marshal brings this ornamental staff of authority to the platform and taps it three times to signify the beginning of the ceremony. It represents the official authority of the University president and precedes him or her during Commencement and inauguration.

WEST VIRGINIA UNIVERSITY ACADEMIC REGALIA
The history of academic regalia worn today dates to the Middle Ages. The oldest universities of northern Europe evolved from ecclesiastical institutions where both faculty and students were regarded as part of the clergy and dressed in clerical garb. The head covering of modern academic costume was developed from the skullcap worn by the clergy in cold weather to protect their tonsured heads. At universities, this skullcap acquired a point on top, which gradually evolved into a tassel. The bonnet with tassel is still worn by some, but the mortarboard is more common.

The gown worn today evolved from the habit worn by Benedictine monks. No trimming is found on bachelor’s or master’s gowns, but for those holding doctoral degrees, the gown is faced down the front and trimmed on the sleeves with velvet.

Today’s hood is colored according to the scholarly field of the individual and bears the official colors of the institution that conferred the degree.

WEST VIRGINIA UNIVERSITY ACADEMIC PROCESSIONAL
The sequence of the processional is as follows: deans, degree candidates, faculty, platform party, honored guests, and University president.

WEST VIRGINIA UNIVERSITY MARSHALS
The tradition of academic marshals comes from storied English universities. The Grand Marshal is the chief protocol officer who coordinates the ceremonial traditions of Commencement, including the processional and recessional. The Grand Marshal is also responsible for the school’s relics, including the mace and batons. Marshals are typically members of the faculty. Student marshals may be selected to help facilitate individual ceremonies.

Born and raised in Charleston, WV, Nesha founded UG Apparel shortly after graduating from WVU with a degree in finance and economics. She was inspired to create her company during her many trips across the country as a WVU varsity cheerleader, where she noticed a lack of feminine appeal in WVU logoed clothing, and saw an opportunity to introduce fashion to the collegiate apparel market.

After graduating, Nesha worked as a financial analyst in Pittsburgh, while also building UG Apparel. Before long, she pursued her true passion for collegiate fashion and left her finance job to attend top design school Parsons, The New School for Design in New York City, and went on to receive an AAS degree in Fashion Marketing.

In 2009, Nesha received her first university licensing contract and since then has become a force in the women’s sports licensed apparel industry, growing her brand to include 250 university licensing contracts. In 2019, UG Apparel acquired women’s apparel company, chicka-d. UG Apparel and chicka-d have offices in West Virginia, Chicago and Texas.

AFTERNOON CEREMONY
Dr. Patrice Harris, a renowned child and adolescent psychiatrist from Atlanta, is the 174th president of the American Medical Association and the first African-American woman to hold this position.

As a private practicing physician, public health administrator and patient advocate, Dr. Harris has been an active leader in organized medicine for her entire career. She has served on the AMA’s Board of Trustees since 2011, including a term as chair. She has also served as chair of the AMA Opioid Task Force since its inception in 2014. Beyond the AMA, Dr. Harris has held positions of leadership with the American Psychiatric Association, the Georgia Psychiatric Physicians Association, the Medical Association of Georgia, and The Big Cities Health Coalition.

A distinguished fellow of the American Psychiatric Association, Dr. Harris continues in private practice and currently consults with both public and private organizations on service delivery and emerging trends in healthcare. She is an adjunct assistant professor in the Emory Department of Psychiatry and Behavioral Sciences, and an adjunct clinical assistant professor in psychiatry and behavioral sciences at Morehouse School of Medicine.

Dr. Harris is a West Virginia-native and she earned her MA in counseling psychology and MD at West Virginia University. It was during this time that her passion for helping children emerged, and she completed her psychiatry residency, and fellowships in child and adolescent psychiatry and forensic psychiatry at the Emory University School of Medicine.

Congratulations from the WVU Alumni Association

Congratulations Graduates!

You did it. After years of hard work and dedication, you’ve earned your degree from West Virginia University. On behalf of the WVU Alumni Association, I applaud you for reaching this significant milestone.

You will soon learn that your West Virginia University experience does not end at graduation; a part of your alma mater will always be with you. When you see a flying WV on a car in a parking lot or when you pass someone wearing a WVU hat in the airport, you will feel that pride of being a part of something bigger. You are a Mountaineer for life.

As you embark on the next phase of your life, know that you are not alone. You are now a part of a growing network of more than 200,000 Mountaineers across the globe, and I assure you that wherever your country roads may lead you next, your alumni family will be there.

To help you stay connected, we are providing you with a complimentary year of membership to the WVU Alumni Association as a graduation gift to you. I encourage you to join your local alumni chapter, engage with fellow Mountaineers on WVU Connect (wvuconnect.com), and take advantage of our valuable services and communications that will continue your connection with West Virginia University.
